DITCH IMPROVEMENT NOTICE

February 19, 2015

**VIEW AND FIRST HEARING – WOLF CREEK JOINT COUNTY DITCH # 143
TO THE OWNERS OF LAND AFFECTED BY THE PROPOSED IMPROVEMENT:**

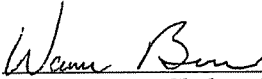

On December 29, 2014 a petition was filed to clean the Wolf Creek Joint County Ditch #143 to make it adequate to serve its watershed, in a reasonable and feasible way, located in Sandusky County and Ottawa County, Ohio. The construction of the improvement is necessary, will benefit the petitioner(s), and will be conducive to the public welfare, and petitions for the making of such improvement on the following course and termini, to-wit:

The Wolf Creek Ditch Petition begins at a point on the existing open ditch approximately 1,330 feet east, then 240 feet north of the northeast corner of Section 11, Woodville Township, Sandusky County, T5N R13E; thence in a northeasterly direction crossing TR 62 (Shumaker Road); thence in an easterly direction crossing CR 66 (Township Line Road); thence following a northeasterly direction crossing State Route 20; thence continuing in a northeasterly direction crossing TR 70 (Damschroder Road); thence continues in a northeasterly direction crossing TR 74 (Swartzman Road); thence heading northerly crossing TR 133 (Haar Road); thence heading northwesterly crossing TR 74 (Swartzman Road); thence crossing TR 70 (Damschroder Road); thence in a westerly then northerly direction before crossing CR 151 (Dishinger Road); thence turning in an easterly direction before crossing TR 70 (Damschroder Road); thence turning in a northeasterly direction before crossing Ohio Turnpike 80/90 just before reaching the Sandusky/Ottawa County Line; thence heading in an easterly direction along the Ottawa/Sandusky County line before crossing Ottawa County's Schultz Portage Road (Sandusky County's Swartzman Road/TR 74); thence turning in a northeasterly direction and crossing the North Coast Inland Trail and continuing into Ottawa County before crossing Linker Portage Road (TR 46); thence continuing in a northeasterly direction crossing Yeasting Road (TR 86); thence continuing in a generally northeasterly direction crossing S. Hessville Road (TR 45); thence turning in an easterly direction along the south side of West Elmore Eastern Road (TR 6) crossing SR 590 and continuing; thence turning in a northeasterly direction crossing West Elmore Eastern Road (TR 6); thence turning in a northeasterly direction before crossing Slemmer Portage Road (TR 43) and continuing in that direction before crossing S. Harris Salem Road (TR42); thence winding in a northerly and easterly direction before crossing South 4 Mile House Road (TR 41); thence turning in a northeasterly direction before crossing Portage South Road (TR 111); thence following a northeasterly direction crossing under W. Portage River South Road (TR 18); thence turning in a westerly direction before crossing Ottawa County Parcel #026058800770700 driveway (Don Zimmerman); thence heading in a northwesterly direction and terminates at the junction with the Portage River, Section 7, Salem Township, Ottawa County, T6N R15E.

The Joint Board of County Commissioners of Sandusky-Ottawa Counties has slated March 12, 2015 at 1:30 p.m. to meet at the Sandusky County Engineers Office, 2500 West State Street, Fremont Ohio as the time and place for the "VIEW" and the "FIRST HEARING" on March 31, 2015 at 1:30 p.m.

Please note that the **VIEW** is slated for interested parties to simply see the proposed improvement. There will be a slide show of pictures outlining the proposed ditch. Following the slide show, interested parties will have an opportunity to view the proposed ditch from some roadside locations. The **HEARING** is the time to raise questions and offer comments.
