APPROVAL

This application is approved subject to the conditions listed below when signed by an authorized representative of the Sandusky County Engineer.

Special
Conditions _____

___ **NO culvert pipe is required as of the date signed below.** However, the roadside must be sloped away from the road to insure that no ponding is created along the county highway. In the future, if a drainage problem arises that necessitates a culvert, the Owner will be required to install a culvert pipe at the Owner's expense. It is not the responsibility of the Sandusky County Engineer to install this culvert; however, it must be installed according to the Sandusky County Engineer's specifications.
