APPROVAL

This application is approved subject to the conditions listed below when signed by an authorized representative of the Sandusky County Engineer.

Special Conditions _____

NO culvert pipe is required as of the date signed below. However, the roadside must be sloped away from the road to insure that no ponding is created along the county highway. In the future, if a drainage problem arises that necessitates a culvert, the Owner will be required to install a culvert pipe at the Owner's expense. It is not the responsibility of the Sandusky County Engineer to install this culvert; however, it must be installed according to the Sandusky County Engineer's specifications.
