DITCH IMPROVEMENT NOTICE

August 5, 2016

VIEW AND FIRST HEARING – Kiser Ditch # 161

TO THE OWNERS OF LAND EFFECTED BY THE PROPOSED IMPROVEMENT:

On July 13, 2016 a petition was filed to clean the Kiser Ditch #161 to make it adequate to serve its watershed, located in Jackson and Ballville Townships, Sandusky County, Ohio, in a reasonable and feasible way. The construction of the improvement is necessary, will benefit the watershed, will be conducive to the public welfare, and petitions for the making of such improvement on the following course and termini, to-wit:

The proposed project begins Commencing at a point on the existing ditch approximately 680 feet west of the Center of Section, Section 12, T4N, R14E, Jackson Township, Sandusky County, Ohio; thence following the route of the existing open ditch in an Easterly direction approximately 680 feet to Sandusky County Road 12; thence continuing in an Easterly direction approximately 1,765 feet along or near the east-west half-section line of said Section 12; thence in a Southerly direction about 500 feet to the junction with Branch Number 1; thence Northeasterly through the NE part of the SE ¼ of said Section 12, approximately 940 feet to the east section line of Section 12 and the west section line of Section 7, T4N, R15E, Ballville Township, Sandusky County, Ohio; thence in an Easterly and Northerly direction approximately 3,220 feet to the west side of Township Road 126; thence Northerly, along the west side of Township Road 126, approximately 370 feet; thence crossing under Township Road 126 and going in an Easterly and Northerly direction approximately 5,025 feet to the south side of Sandusky County Road 41, approximately 635 feet east of the north ¼ Post of said Section 7; thence in an Easterly direction along the south side of County Road 41 approximately 185 feet to a 48" X 76" elliptical pipe; thence crossing under County Road 41 and going in an Easterly and Northerly direction approximately 5,725 feet to the inlet of a culvert on the west side of State Route 53, approximately 730 feet south of the North line of said Ballville Township; thence crossing under State Route 53 and going in an Easterly and Northerly direction approximately 950 feet to the inlet of a culvert on the south side of Sandusky County Road 6 (Hayes Avenue), approximately 340 feet east of State Route 53 and there terminate.

The Board of County Commissioners of Sandusky County has slated September 13, 2016 at 1:00 p.m. to meet at 857 County Road 12, Jackson Township, as the time and place for the "VIEW." At that time we will park and walk to view the ditch. The **"FIRST HEARING"** will be on September 27, 2016 at 1:00 p.m. in the office of the Sandusky County Engineer at 2500 W. State St. in Fremont, Ohio.

Please note that the **VIEW** is slated for interested parties to simply see the proposed improvement. The **HEARING** is the time to raise questions and offer comments.

If you have any questions, please contact the Sandusky County Engineer's Office, 2500 W. State St., Fremont, Ohio, 43420.
