DITCH IMPROVEMENT NOTICE

May 12, 2015

VIEW AND FIRST HEARING - MICHAELS DITCH # 151

TO THE OWNERS OF LAND EFFECTED BY THE PROPOSED IMPROVEMENT:

On April 16, 2015 a petition was filed to clean the Michaels Ditch #151 to make it adequate to serve its watershed, in a reasonable and feasible way, located in Jackson Township, Sandusky County, Ohio. The construction of the improvement is necessary, will benefit the watershed, will be conducive to the public welfare, and petitions for the making of such improvement on the following course and termini, to-wit:

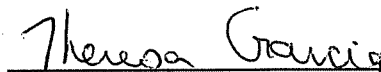

The proposed project begins approximately 1850' east and 1920' north of the southwest corner of Section 28 of Jackson Township at a point on the existing ditch on the northern property line of parcel 142800000900; Thence following the path of the ditch east approximately 270'; Thence north approximately 720'; Thence west approximately 370'; Thence north approximately 2185' joining with the ditch along the railroad; thence northwest approximately 570' to Muskellunge Creek where a sufficient outlet is provided and the project will terminate.

The Board of County Commissioners of Sandusky County has slated June 9, 2015 at 1:30 p.m. to meet at Jackson Township Ball Diamond in Burgoon, off of County Road 13, as the time and place for the "VIEW." At that time we will park and walk 1500 feet to the North and view the ditch. The "FIRST HEARING" will be on June 23, 2015 at 1:30 p.m. in the office of the Sandusky County Engineer at 2500 W. State St. in Fremont, Ohio.

Please note that the **VIEW** is slated for interested parties to simply see the proposed improvement. The **HEARING** is the time to raise questions and offer comments.

If you have any questions, please contact the Sandusky County Engineer's Office, 2500 W. State St., Fremont, Ohio, 43420.
