To Whom It May Concern,

Our office is currently soliciting quotations for paving a portion of our back parking lot in Fremont, Ohio, per the attached paving plan. The work consists of paving the area with approximately 4 inches of Item 441 Asphalt Concrete, Intermediate Course, Type 2 (448). The existing material will be removed and the area will be prepared by Sandusky County Engineer forces, prior to paving.

Paving may be performed beginning July 1st, 2019, but no later than October 15th, 2019. We would ask that you contact our office at least 1 week before you intend to start so that we can be sure that our work is completed.

Payment will be made on a "per ton" basis. All quotations should be returned to our office no later than June 3rd, 2019. Sandusky County reserves the right to select the quotation that is in the best interest of The County.

Please contact me should you have any questions regarding this quotation.

Sincerely,

Carlos A. Baez Sr. P.E., P.S.
Sandusky County Engineer

THE SANDUSKY COUNTY ENGINEER'S OFFICE – ASPHALT CONCRETE PAVING

Please Return Quotation To:

Sandusky County Engineers Office
2500 West State Street
Fremont, Ohio 43420
Phone: 419-334-9731
Fax: 419-334-9733

Deadline: To return quote – June 3rd, 2019; To complete the project – October 15th, 2019.

NOTE: Item 441 Asphalt Concrete Surface Course, Type 2 (448), PG 64-22, As Per Plan.

This item shall have similar gradation to a Type 2 Intermediate Course for strength. However, it shall also be able to be used as a Surface course (ie: higher AC content, finer aggregate, less air voids, etc.). The contractor shall come up with a mix design and have the JMF approved by the Sandusky County Engineer, prior to installing it.
