To Whom It May Concern,

We are currently soliciting quotations for paving a bridge in Sandusky County. The bridge approaches will be paved by county forces with a base course of asphalt. The work consists of paving the bridge deck and approaches with approximately 1.25" of Item 441 Asphalt Concrete, Surface Course, Type 1. And 1.5" of Item 441 Asphalt Concrete, Intermediate Course, Type 1. For a total of 2-3/4 inches. See the attached paving plan for details.

Paving will need to be performed after bridge beams are installed, but no later than October 30th, 2021.

Payment will be made on a "per ton" basis. All quotations should be returned to our office by Friday October 8, 2021. Sandusky County reserves the right to select the quotation that is in the best interest of Sandusky County.

Please contact our office should you have any questions regarding this quotation.

Sincerely,

Carlos A. Baez Sr. P.E., P.S.
Sandusky County Engineer
