

**SANDUSKY COUNTY JOINT COUNTY DITCH PETITION**  
**COMMISSIONERS Ottawa and Sandusky Counties**

NOV 27 2023

Revised Code, Secs. 6131.01-6131.64; 6133.01-6133.15

**HUMAN RESOURCES**

Petitioned in Sandusky County, Ohio, 27, of November, 20 23

To the Joint Board of County Commissioners, Sandusky and Ottawa Counties, Ohio:

The undersigned hereby petitions your honorable body ... to clean, widen, deepen and/or remove all necessary brush, trees and log jams as determined necessary by inspection and hydraulic analysis. This project is proposed to help alleviate extended flood times through a more efficient drainage cross section and provide a corridor for cost effective future maintenance with minimal property impacts, for an improvement in a manner deemed to be most conducive to public welfare of the watercourse to be known as Wolf Creek utilizing any, all or a combination of the methods provided in Ohio Revised Code.

The construction of the improvement is necessary, will benefit the petitioner(s), and will be conducive to the public welfare.

The petition on Wolf Creek, Project # 232, as set forth above, along the course described, as follows:

The Wolf Creek Ditch Petition begins at a point on the existing open ditch approximately 1,330 feet east, then 240 feet north of the northeast corner of Section 11, Woodville Township, Sandusky County, T5N R13E; thence in a northeasterly direction for approximately 2,080 feet under Shumaker Road (aka TR 62); thence continuing in an easterly direction for approximately 2,880 feet under Township Line Road (aka CR 66); thence following a northeasterly direction for approximately 1,670 feet under State Route 20; thence continuing in a northeasterly direction for approximately 2,040 feet crossing under Damschroder Road (aka TR 70); thence continues in a northeasterly direction approximately 4,170 feet under Swartzman Road (aka TR 74); thence turning heading northerly for 640 feet under Haar Road (aka TR 133) and continuing northerly 840 feet; thence heading northwesterly under Swartzman Road (aka TR 74) approximately 4,820 feet crossing under Damschroder Road (aka TR 70); thence in a westerly direction for approximately 130 feet before turning northerly for approximately 1,030 feet crossing under Dishinger Road (aka TR 151) and continuing in a generally northerly direction for approximately 1,840 feet; thence turning in an easterly direction for approximately 370 feet before crossing under Damschroder Road (aka TR 70); thence turning in a northeasterly direction for approximately 2,115 feet before crossing under Ohio Turnpike 80/90 and continuing in that direction for approximately 375 feet before reaching the Sandusky/Ottawa County Line; thence heading in an easterly direction along the Ottawa/Sandusky County line for approximately 550 feet before crossing under Ottawa County's Schultz Portage Road (aka Sandusky County's Swartzman Road); thence continuing in an easterly direction for approximately 1,515 feet; thence turning in a southeasterly direction for approximately 175 feet; thence turning in a northeasterly direction and crossing under the North Coast Inland Trail and continuing into Ottawa County for approximately 4,320 feet before crossing under Linker Portage Road (aka CR 46); thence continuing in a northeasterly direction for approximately 1,400 feet crossing Yeasting Road (aka CR 86); thence continuing in a generally northeasterly direction for approximately 5,000 feet crossing S. Hessville Road (aka CR 45) and continuing in a northeasterly direction for approximately 2,700 feet; thence turning in an easterly direction along the south side of West Elmore Eastern Road (aka CR 6) approximately 2,970 feet crossing under SR 590 and continuing 2,200 feet; thence turning in a northeasterly direction under West Elmore Eastern Road (aka CR 6) for approximately 500 feet; thence turning in an easterly direction for approximately 1,620 feet; thence turning in a northeasterly direction for approximately 1,660 feet before crossing under Slemmer Portage Road (aka CR 43) and continuing in that direction for approximately 7,250 feet before crossing under S. Harris Salem Road (aka CR42); thence winding in a northerly and easterly direction for approximately 3,630 feet before crossing under South 4 Mile Road (aka CR 41); thence turning in a northeasterly direction for approximately 3,450 feet before

All costs of engineering, construction, and future maintenance will be assessed to the benefiting parcels of land, except as ordered under Section 6131.31 of the Revised Code.

A list of the names and addresses, where known, of all the owners of the land which the petitioner or the County Engineer claims will be benefitted or damaged by the construction of the proposed improvement is as follows:
